SCOPE OF SERVICES WE OFFER

ZAHABU SOLUTIONS LTD provides a comprehensive range of insurance brokerage and advisory services, operating under the regulatory framework of the National Bank of Rwanda. Our role is to represent clients, engage directly with insurers, and ensure that all insurance solutions are properly structured, clearly understood, and effectively managed.

1. Risk assessment & advisory

- Identification and evaluation of client risks
- Professional guidance on appropriate insurance coverage
- Structuring risk management strategies aligned with client operations

2. Insurance placement

- Market comparison across multiple insurance providers
- Negotiation of policy terms, premiums, and conditions
- Placement of appropriate insurance solutions

3. Policy Structuring & Customization

- Design of tailored insurance programs
- Adjustment of coverage limits, deductibles, and extensions
- Alignment of policies with specific industry requirements

4. Claims Management & Support

- Claims notification and documentation guidance
- Representation of clients in claims processes
- Follow-up and resolution with insurers
- Advisory in case of disputes or delays

5. Policy Administration

- Policy issuance and documentation management
- Renewals and coverage reviews
- Endorsements and updates to existing policies

6. Client Representation

- Acting as the primary liaison between client and insurer
- Interpretation of policy terms and conditions
- Ensuring transparency and fair engagement

7. Risk Monitoring & Review

- Periodic review of insurance coverage
- Advisory on emerging risks and operational changes
- Continuous improvement of insurance structures
